

## Our America Is Changing!

It is now time for Black men to resume our rightful place in our homes and communities. To stand as:

- husbands who love and respect our wives, and for whom they can respect;
- dads who provide love, structure and discipline in the lives of our children;
- brothers and uncles who serve as role models;
- grand fathers who mentor our sons and daughters and our family clan;
- law-abiding citizens in our homes rather than as criminals in the jails;
- leaders and dependable followers who co- labor in the vineyard of rebuilding greatness in the African American community.

The time is now for "ALL" of our African i- American men and women to unite under God and embrace their uniqueness and their culture. The time is now for "ALL" to delight and take pride in the best of what our Community offers to the World. The time is now for "ALL" of Black America to return to God.

It's time to Come Home and Reap the Benefits of Obedience and Godly Living!

## 2nd Chronicles 7:14 Ministries for Change Needs YOU!

**Our God promises to forgive our sins against Him, and heal us and our world.**

Our African American families need you!

Our African American communities need you!

Our American nation needs you too!!

This Ministry is looking for men like you to participate in God's Harvest.

Men that God has redeemed who desire to share their time, talents, and resources in reaching a lost world.

Men who have discovered that we are in fact, "our brother's keeper" and are committed to serving their fellow man.

**Black men, African American men, come back home and REAP the blessings of obediently walking with God!**

We covet your prayers for our ministry and for all of our African American Men.

You may participate by volunteering your time and/or donating your financial resources.

## 2<sup>nd</sup> Chronicles 7v14 Ministries for Change

*"If My people who are called by My name would humble themselves and pray, confess their sins, turn from their wicked ways then I will hear from heaven forgive their sins and heal their land."*

*II Chronicles 7:14*

## Our Beliefs!

Many programs over the years have attempted to address the problems that under- mine African Americans as a people and as individuals in a community. With the exception of the Civil Rights movement, most have been momentary, fleeting and without lasting change. Our solution to address the problems that plague the African American Community is to first address the condition of our men. Our solution for the condition of the African American Male is not elaborate; it is not hip or trendy; it is basic in its simplicity.

### **African American, Black Men Need to Return to God!**

We believe that our sinful lifestyles have alienated us from God and that He has allowed us to reap the consequences of our disobedience.

We believe that God has given us a prescription or formula for the change needed in our community.

We believe that God has millions of African American men poised and ready to surrender and rededicate their lives to Him.

We believe that as an organization, we can assist in the healing by identifying our common issues and behaviors, then through spiritual training and renewal address those behaviors with Biblically based programs and services.

We believe that as Black men walk in relationship and obedience with almighty God, Our Community will reap God's benefits and His blessings.

## Our Purpose!

***"If My people who are called by My name would humble them- selves and pray, confess their sins, turn from their wicked ways then I will hear from heaven forgive their sins and heal their land."***

### ***II Chronicles 7:14***

To reach out to African American Males and assist them in re-discovering the God of the Bible. We are a Ministry for those who are ready for a lifestyle change through confession, repentance, willful turning from sin, seeking and acceptance of God's forgiveness and His healing of their shattered lives.

## Our Mission!

To offer support, prayer, and services to African American males as they restore, rebuild, and re- unify their relationship with God, their church, their families, and their communities.

## Partner Programs and Services !
